Dear Andrew & Neil

I would like to take this opportunity to thank you as a Company for taking so much care, time and effort to ensure that Shirley and I and the people living around the Development were inconvenienced as little as was practical. I'm sure the people living in Browns Crescent probably don't agree with me but a development like that could have been made a lot more difficult had you not been very conscious of the surroundings.

Shirley and I would also like to thank you both for the way in which you dealt with us on a personal basis. We can honestly say that you were a pleasure to do business with. If we can ever be of service to you, by way of recommendation, we would be very pleased to do so.

We wish you the very best in all your future endeavours.

Yours sincerely

David & Shirley Hindle
